

ONLINE REGISTRATION BEGINS

Scouting families and prospective Scouting families have asked for it, and now it is here! The Boy Scouts of America is offering online registration to select councils to meet the demand for completing the entire registration process for youth members and adult leaders. **Your council will go live with the online registration system in two weeks.**

Here is the first step to take to make sure you are prepared:

Create or Update Your My.Scouting Account

Ensure that you receive notifications from the online registration system showing what actions you have to take.
