

# PROVISIONAL TROOP 627 TESOMAS SCOUT CAMP AUGUST 5-11, 2018

The provisional troop at Tesomas is a chance for scouts to spend a week at camp who could not attend with their home unit, or a chance to attend an additional week of Boy Scout Summer Camp at a reduced rate. Individual scouts are placed in a troop of other scouts from all over the mid-west. Boys in the provisional troop experience camp in a different troop atmosphere while making many new friends.

Leadership for the troop is provided by Samoset Council. To provide the maximum continuity, troop leadership is present for the entire week. Anyone interested in serving as an adult leader should contact Camping Director, Troy Seehafer.

### Registration & Cost:

The cost of attending the provisional troop is

- \$267 (Samoset Scout)
- \$297 (out of council Scout)
- \$150 (Adult)

However, a discounted rate of \$199 is available for any Scout who has attended Tesomas Scout Camp during the 2018 summer camp season and will be participating in the provisional troop as a second week.

**Registration is requested no later than July 15, 2017.** Scouts may register online or complete the registration form below and return it to the Scout Center. Full fees are due by July 15<sup>th</sup>.
